GOVERNOR'S MESSAGE.

Geatness of the Senate and House of Representatives;

Our reverent thanks are due to Almighty God for the blessings of health and prosperity, with which He has endowed the year that has elapsed since your last Annual Session.

Some fitting, that in the name of the people, whom we are able and faithfully serve,

I should advert to the great public loss our state has sustained in the death of the late Governor Washburn.

The wide spread grief it occasioned is still fresh. The loss of a public servant, an upright, faithful and capable, so earnestly devoted to the best interests of the State, is indeed irreparable. We may find some solace, in the thought, that it lived to meet the approval which his eminent services merited, and that his public and official life, henceforth a part of our history, is forever to be held in grateful remembrance.
